Mr. Obed, then reviewed the performance of the Retirement Plan for the month of October 2015, and indicated that as we continue to move toward the approved asset allocations, we are seeing overweight in some asset classes such as US Equities, hedge funds and cash, but we will bring those down to help us fund the new mandates.

Mr. Obed then presented the timeline of what is on the table for November and December 2015, educational sessions, reviewing RFP for Emerging Market Small Cap, transition from Amalgatrust Intermediate to Amalgatrust Core Fixed Income and issuing new RFPs for Mezzanine, Bank Loans, and Infrastructure. He indicated that Marquette is currently reviewing the responses received regarding the RFP for Emerging Market Small Cap.

Mr. Obed then presented the summary of manager changes over the last 12 months, showing that the Retirement Plan has gone thru 21 changes so far. The topics to be discussed are Mezzanine and Infrastructure. He indicated that everyone in attendance should self-report their hours to Rosa in the template provided by Rosa.
